

# PC 8.2 USB

## Stylish USB headset with in-line volume control

The PC 8.2 USB stereo headset with in-line soundcard is designed for internet telephony users and e-learners that desire high quality audio, an adjustable microphone and convenient in-line volume/mute control.

Superlative stereo sound is delivered by proprietary transducer technology and the USB soundcard. The unidirectional noise-canceling microphone ensures clear communication. When voice chat is not needed, it can be rotated 180 degrees to get it out of the way.

Plug-and-play compatibility with laptops, PCs and Mac® is ensured with the USB connector. This stylish on-ear headset is designed with a headband that fits securely without slippage. With excellent sound quality, handy controls and an adjustable microphone, the PC 8.2 USB stereo headset delivers excellent value at its price point.
