EPOS Audio Summit 2020 November 10 – 13: Sound excellence and the future of work

Join the EPOS Audio Summit 2020: a four-day virtual event bringing together thought leaders and professionals in the fields of audio, tech, business and research.

EPOS | Copenhagen, Demark. 10 November 2020 During the four days of the event, keynote speakers from EPOS, Google, Verizon, Microsoft, IGEL, Frost & Sullivan, and more, will present the latest trends in audio technology, examine the new normal in the modern, post COVID-19 workplace, and discuss how sound excellence can help both business professionals and serious gamers achieve more. In addition to the keynote sessions, attendees can take a deep dive into specialized on-demand content including white papers exploring new technologies, and information about the latest EPOS audio solutions. Attendees can also experience some of EPOS latest audio innovations and discover how these can help unleash human potential and optimize performance both for businesses and individuals.

Key speakers include:

David Rosenthal, GTM Strategy – Meeting Solutions, Google

Nivetha Samy, Product Marketing Manager – Microsoft Teams

Robert Karlsson, Sales Executive, Microsoft Teams Rooms Nordics at Microsoft

Michael Woollett, International Zoom Rooms Manager, Zoom Video Communications

Jesper Kock, VP Research and Development, EPOS

Dr. Erica Walker, Founder of Community Noise Lab at the Boston University School of Public Health

Jeffrey Saunders, CEO, Nordic Foresight

Peter Ankerstjerne, Global Lead – FM & Experience Services at JLL and Chairman of the Board at IFMA

Joel Beckerman, Composer, Producer and Founder of Man Made Music, and Co-Author of the book “The Sonic Boom: How Sound Transforms the Way We Think, Feel, and Buy”

Robert Arnold, Principal Analyst – Connected Work, Frost & Sullivan

Anita Caras, Insights Director, Verizon Media

Mark Melling, Head of RYOT Studio EMEA, Verizon Media

Philip Ross, Founder & CEO, UnGroup and Cordless Group

Robert Moore, Regional Sales Director, EPOS

About EPOS

EPOS is an audio and video solution company developing and selling devices for business professionals and the gaming community. Based on leading and advanced technologies, the Danish founded company delivers high-end audio and video solutions with design, technology and performance as paramount parameters.

The establishment of EPOS is based on the decision to let the business segments of the joint venture – known as Sennheiser Communications – between Sennheiser Electronic GmbH & Co. KG and Demant A/S evolve in different set-ups. Alongside the introduction of a new own-branded portfolio, EPOS continues to sell the current Sennheiser Communications portfolio co-branded as EPOS | SENNHEISER.

MEDIA ALERT

EPOS is part of the Demant Group – a world-leading audio and hearing technology group. As such, it builds on more than 115 years of experience of working with innovation and sound. With headquarters in Copenhagen, Denmark, EPOS operates in a global market with offices and partners in more than 30 countries.
